## **SpineWay to attend EUROSPINE 2025 in Copenhagen**

SpineWay, a specialist in innovative implants for the treatment of severe spine disorders, is announcing its participation in the EUROSPINE 2025 congress, to be held from October 22 to 24, 2025, in Copenhagen, Denmark.

A truly front-ranking international event, [EUROSPINE](#) brings together the leading players in spine surgery and care every year. The 2025 edition will be attended by more than 1,700 surgeons from over 20 countries, including Germany, Switzerland, Denmark, France, the United Kingdom and Spain.

### **SpineWay's 15th participation in Eurospine**

Since 2006, SpineWay has attended this major congress to showcase its product ranges and new offerings. At the 2025 edition, the Group will present its premium ranges: VEOS, KAPHORN, ACIFBOX and its ESP disc prostheses.

Demonstrations will be offered at the SpineWay stand, allowing visiting surgeons to learn about the Group's latest innovations.

### **A key opportunity for meetings and exchanges**

EUROSPINE represents a unique opportunity for SpineWay to meet its customers and distributors from Europe, Latin America, Asia, and the Middle East. These meetings provide an opportunity to discuss developments in product ranges, surgeons' needs and the medical training projects supported by the Group. The event also provides an ideal setting to initiate new partnerships and strengthen SpineWay's international presence.

SpineWay will take this opportunity to celebrate its 20th anniversary with its distributors and partners, commemorating two decades of innovation and commitment to spine surgery.

*"EUROSPINE is a highlight for our Group each year. This year's event will be particularly significant because it coincides with SpineWay's 20th anniversary. We look forward to sharing our latest innovations and continuing to develop ever more effective solutions for surgeons and their patients,"* said Stéphane Le Roux, SpineWay CEO.
